

# HILTON NEW YORK AND TOWERS

12.25.01 - 1.1.02

Your stay in New York will be at the newly refurbished 4-star, 4 diamond, Hilton New York and Towers. It has the perfect location, near Rockefeller Center. You are one block from Fifth Avenue shopping, near Broadway theatres, and in the heart of the business and media capital of the world. You can walk to attractions, boutiques, restaurants and nightclubs. It is the new hotel for the new millennium featuring a recently completed \$100 million renovation and redesign. The project included a new lobby, two new restaurants, two new lounges, room improvements and an 8,000 square foot Spa and Fitness Center. The new Spa and Fitness Center offers steam rooms, saunas, strength machines, cardiovascular equipment and treadmills all complimentary with your stay. There are many spa services available as well, including massages, body wraps and treatments, and facials for an additional fee. The Hilton New York and Towers also boasts a new Executive Lounge on the 44th floor, available to those staying in the Towers. The Towers is a private hotel-within-a-hotel, with seven floors of exclusive accommodations, with private check-in. With its floor-to-ceiling glass walls you are afforded a spectacular view of not only Rockefeller Center but also the rest of New York City.

Dear Alpha Omega family:

On behalf of the members of Regencies 3 & 22 and their families, you are invited to join us in celebration of Alpha Omega's 94<sup>th</sup> annual convention. What better way to spend a week than with your Alpha Omega family? Where better to spend it than in "The Greatest City in the World", "The Big Apple", "The Financial and Cultural Capital of the World": New York City. You thought those millennium celebrations were big, well you are in for the intergalactic experience of a lifetime with the **2001: An AO Odyssey** convention. Come and experience the warmth and famous New York hospitality. The city is in top form, its' finest in more than fifty years. Everywhere you look, things are being refurbished and the city is steadily improving. It has even become more family friendly. Now is a great time to be in New York. No place else

is quite like it. Simply stated, we have more of the best to delight and entertain than anywhere in the world: world-class museums, 18,000 restaurants, 37 Broadway theaters, a revitalized Times Square and the spectacular newly restored Grand Central Terminal. No other city has such a diversity of people and cultures. Welcome to New York, where the only limit is your imagination.

If just being in the "city that never sleeps" is not enough, we have a spectacular week of events planned for you and your family beginning with your stay at the 4-star, 4-diamond Hilton New York and Towers (located in the Rockefeller Center area). The week will include among other events, the "Welcome To New

York Reception", followed by our out of this world "2001: An AO Odyssey Alien Themed Costume Party", a trip to Ellis Island, Foundation Evening at a Russian night club, Honors Night, Shabbat Family Dinner, a diverse continuing education program and to top it all off a spectacular New Year's Eve celebration, New York style! For those of you with children we have the familiar face and talents of Candi Drescher and Kidz Adventures. Candi and her crew have become Alpha Omega regulars and this year Candi has in store for your children a week of activities and site seeing that will not only be enjoyable, but educational as well!

We will again be offering the option of a partial registration. This option will allow you to not only take advantage of the fabulous hotel room rate but also participate in some, but not all, of the weeklong activities, at a reduced rate (see the registration form for details). But we are sure that you will want to participate in all the activities. For up to the minute information about the convention and New York City, check the Alpha Omega website [www.ao.org](http://www.ao.org) throughout the year. We will also be sending out timely updates via e-mail for those who have it (make sure you put it on the registration form) and regular mail for those who do not.

We hope you will join us in December at Alpha Omega's 94<sup>th</sup> International Convention - 2001: **An AO Odyssey.**

Fraternally,

*Larry M. Schanoff* *Jeffrey S. Kerwin*
